We start with a load of popsi-cles, only need a shiny new nickle. We beat Ogden, Layton, Granger, and Roy with great scores. We lost three games by heartbreaking style. Skyview, Weber, and Brighton. All you men know you are the Bonnesons. We were Region 1 in JV with '8-0 record. So we will be tough next year. So long until next year.

This year's golf team consisted of many young and improved golfers. The early matches were a pivotal point in the season. After winning the 1st match with an exceptional low team score of 154 things

looked bright for Laker golf. But then the Lakers lost 3 matches in a row by 1 stroke, and this proved to be very disappointing for the Lakers. They then suffered through the worst Golf season ever. Bonneville has been a Golf power in the past. Only pride, hard work during the summer, and the returning of some young golfers such as Kenny Thompson, Robb Hunt, Jeff McFarland, Bill Bateman and others will bring the Lakers back on top.

Cross-Country

Under new coach Blair Martineau, The Cross Country Team had a great but very surprising season. They went undefeated in region dual meets for the third year in a row. They won the city-county meet for the fourth straight year. They won the region championship for the fifth straight year, and successfully defended the state championship. This outstanding season gave the Laker runners the right to the Triple Crown of cross country for the second year in a row.

This year the wrestling team worked super hard but losing weight took its toll on everyone. People got down on each other, poor attitudes where formed. For the region and state Finals the team pulled together to finish strong.

The Scream Team has been a big help in contributing spirit to the school this year. They have supported the Laker teams all the way.

In December they held the annual Christmas Dance and it was a big success. The band was Desire and the theme song was "I Do Love You Still."

Thank-you Scream Team for making this a great year at Bon-neville.
